

ATTOCK REFINERY LIMITED

ENSURING ENVIRONMENT FRIENDLY FUELS

Just as we take pride in the quality of our products, we at Attock Refinery Limited (ARL) are equally committed to the protection of the environment.

We wish to highlight that ARL is regularly supplying Low Sulfur Environment friendly fuels i.e. PMG 10 ppm (Euro V Sulfur) and High Speed Diesel (HSD) 350 ppm (Euro III Sulfur) to its customers against country PMG & HSD specifications of 500ppm (Euro II Sulfur) for the local refineries. Laboratory reports attached in this respect.

OMCs are encouraged to take advantage of this clean environment friendly fuels available at ARL by taking regular supplies of PMG and HSD from us.

Thanking you.

Asif Saeed
Assistant General Manager (C&MM)
Attock Refinery Limited
